

22nd April 2021

Dear Parents/Carers

Parent Consultations'

27.04.21 3.30pm – 6.30pm

28.04.21 3.30pm – 6.30pm

Unfortunately, due to Covid 19 restrictions, arrangements for the consultations have to be arranged slightly different this term. The meetings will take place remotely via Google Classroom.

Class teachers will post a list of appointments on Class Dojo or Tapestry. Please choose your appointment and contact the class teacher, letting them know what time you would like. Please remember to leave adequate time for siblings. Teachers will then book an appointment, as close as possible to the time you have chosen and will contact you to let you know your allocated time.

At the time of your appointment, please join the remote meeting, via the link on your child's class Google Classroom, just like you accessed the site during lockdown.

Please do not try to access the meeting before your allocated time as this may interrupt someone else's meeting.

If you have any issues or problems regarding this, please do not hesitate to contact school.

Yours sincerely

The Senior Leadership Team
