

Dear Parents,

**Thursday 27<sup>th</sup> May 2021**  
**Early Years: Sunny Sunflower Day**

The children have been enjoying learning about growing and planting so much this half term that we thought we would celebrate this by having a sunny sunflower day. Next Thursday we will be looking at the painting Sunflowers by Vincent Van Gogh and planting our own sunflowers. In maths, we will be looking at the Fibonacci pattern, a natural spiral pattern that occurs in sunflowers and many other natural objects. We will be baking sunflower biscuits and talking about the colour yellow and how a sunflower is a Summer flower.

On Thursday we would like the children to come in yellow accessories to celebrate this. Please do not buy any additional items. This could be anything from a yellow sun hat, scarf or socks to a hair bobble or yellow ribbon.

We are also hoping for some sunny weather too.

Many thanks,

The EYFS Team
